Roll-Away®
Series 6000
Inside Mount Door

The dimensions for an Inside Mount Roll-Away® Door are derived from the details at left (WIDTH) & above (HEIGHT). For a single Roll-Away measure height on left and right sides. For a double french Roll-Away measure the middle height as well. Note the smaller measurement of opening height. We recommend that you deduct 1/8" from your width and height measurements. Measuring by these dimensions will provide a door that will fit your opening.
